

Infectious Diseases 2018

The Biomedical Research Branch of the Center for Genetic Engineering and Biotechnology invites you to attend the [IV Symposium on Infectious Diseases](#) which is going to be held from **October 26th to 29st, 2018** at Melia Marina Varadero hotel in Varadero, Cuba.

The IV Symposium of Infectious Diseases will provide a platform with a well-organized scientific program including key lectures, talks and poster sessions. The occasion will favor the exchange and discussion of novel strategies for the prevention and treatment of viral infectious diseases. The congress will involve Microbiologists, Virologists, Immunologist, Epidemiologists and Health Care Professionals.

General Topics

- Immune response and immunopathogenesis associated to viral diseases.
- Prophylactic and therapeutic vaccines against Hepatitis B, C, HIV, Dengue, Zika, Chikungunya and Yellow fever.
- Antiviral drugs against viral Hepatitis, HIV and circulating arboviruses.
- Co-infections with other relevant pathogens: Challenges and options.
- Analytical systems and animal models for the study of viral infections.
- Mathematical models for epidemiological predictions, development of immune response and effectiveness of treatments.

Important Dates

Deadline for Early Registration

Friday, August 17, 2018

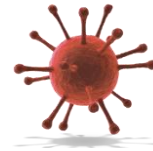

Deadline for submission of Abstracts

Friday, September 21, 2018

Workshop Bus from Havana to Melia Marina Varadero Hotel

Friday, October 26, 2018 at 8:00AM

Infectious Diseases 2018

Registration Fee and Information:

Regular Registration Fee		Early Registration Fee (deadline September 21 ,2018)	
Category	Registration Fee	Category	Registration Fee
Student (*)	\$ 350 CUC	Student (*)	\$ 300 CUC
Academic	\$ 450 CUC	Academic	\$ 350 CUC
Business	\$ 500 CUC	Business	\$ 400 CUC
Accompanying Person (**)	\$ 100 CUC	Accompanying Person (**)	\$ 100 CUC

The registration fee includes:

- Name badge,
- Admission to all the Oral and Poster Sessions,
- Printed Scientific Program and Abstracts,
- Attendance certificate,
- Other auxiliary and informative materials,
- Assistance during the event days

In case that due to your travel schedule, you arrive to Havana Airport then you should arrange with Havanatur a personalized booking in Havana hotel and transportation.

To book your accomodation with Havanatur please contact:
